

MUHAMMAD GUMILANG TAMASAKTI

FRONT-END DEVELOPER

Bootcamp Graduates and Front-End Developers focusing on ReactJS, TypeScript, NextJS, and Responsive Design Development. After having several experiences collaborating effectively with the Backend and Quality Engineer team, integrating REST API, and finding bugs.

With a passion for both personal growth and software development, i also have an interest in Mobile App Development using React Native, and 3D Modelling using Open Source Software like Blender. Ready to apply my passion for coding to a talented engineering team to develop a website and perfect my responsive design skills.
